Hi Brian,

All went well today with the move. The guys were great and very professional.

Just one thing, I cannot open the drawer in the dresser located in the master bedroom. Can your guys come back out and fix it?

Thanks again for making this move such a great experience.

Regards,

Sandy Ferrada

Hi Sandy,

Thank you for the kind words regarding the move crew and your move. I'm glad to hear that everything went well.

When would be a good time for someone to stop over to look at your dresser? If you can provide me with a general range of times, I can coordinate with one of my guys to have them stop by.

Thanks again. I look forward to hearing from you soon.

Best Regards,

Brian
