Dear Andy:

Just a short note of thanks from Molly and me for your services over the last week. Brian and Dan did an excellent job. They were on time, took great care of our goods and worked extremely well with us. We couldn't have been more pleased.

Thanks also for your patience and good will in putting together the quote on short notice and providing us with the adjustment in the final price.

Like Chuck Bullock, Molly and I have become "fans" of PMI and would strongly recommend your services to our friends and acquaintances.

Happy New Year!

Very truly yours,

Thomas P. Martin
