Dear Mike

Just writing to let you know how pleased we have been with the move you and your crew helped us to accomplish.

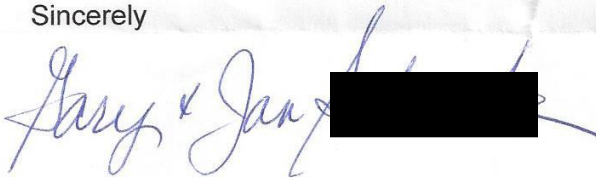

At our former home in Sterling Heights, Bruce, Corey and Vince did a very capable job of inventorying and carefully wrapping our furniture and putting those and all the boxes on the truck. All of these guys were particularly polite, friendly and quite efficient. We very much appreciated the care they took with our belongings.

When we arrived in Tennessee, we had Gordie (probably with Wheaton Moving) along with Andy of Armstrong Relocation of Knoxville for the unloading. These two also were quite polite and efficient and very gracious.

We have moved numerous times over the last 40 years or so and this is the first time we could ever call the experience a success. For that, we are especially grateful to you and the entire crew assigned to us at both ends of our move.

Thanks so much to you and your very professional team.

Sincerely
