Dear Kris,

"My wife and I wanted to tell you again how pleased we were with our recent move from Commerce Township to South Lyon. Your crew arrived on time, were very courteous and friendly, and worked efficiently to load our possessions with care. At the other end of the move, they were very accommodating about positioning our furniture where we wanted it and were extremely careful not to mark the recently re-finished hardwood floors. The move was completed in less time than estimated and without a scratch on anything. We could not have been happier with our experience with Professional Movers and will definitely recommend your company to anyone we know and are happy to provide a reference for you at any time."

Sincerely,

Jim and Linda [REDACTED]
