Hi Mike

Sorry it has taken me so long to write this. Just wanted you to know how pleased my mother, sister and I were with your movers. They showed up on time, were very nice and moved her in a timely manner. We really appreciated it. It was a stressful day for my mom and we were happy that everything went smoothly.

I know word of mouth is a powerful advertiser, and we will not hesitate to let anyone we know who is moving about your company.

thanks again, Jill
