Dear Pat:

I wanted to take the time to personally thank you for helping out the Wolverine Lake Police Department. You knew that we are limited for space and you stepped up to help us. The ability for us to store forfeiture property under lock and key at your place of business was extremely helpful.

In closing, I would like to say that the cooperation from you and your place of business speaks volumes. This is one of the reasons that living in this great area is so good. I wish you and your business continued success.

Sincerely,

Joseph E. George
